PROFILE

I am a full stack web developer with a passion for creating interactive and responsive web applications. I have experience working with Laravel, Tailwind, Node.js, React, Next, MySQL, HTML, CSS, and Git. I am a quick learner and I am always looking to expand my knowledge and skill set. I am a team player and I am excited to work with others to create amazing applications.I undergraduate my Bachelors degree in Informatics Engineering from University Islam Sultan Agung Indonesia. I also pursued additional courses in web development and gained hands-on experience in various technologies.
